About

Arkansas State University – Jonesboro is the flagship of the ASU system offering academic excellence in a safe, affordable, caring environment. ASU offers more than 250 degree programs, concentrations and options for students to select. The faculty is of the highest caliber with over 85% holding the highest terminal degree in their fields.

ASU is separated into 10 different colleges which allow for small class sizes and teacher to student ratios. This gives students a personal touch that is hard to find in public universities. ASU also has a nationally recognized student union building and an on-campus Career Services building to assist students with their post-graduate plans.

There is plenty to do at ASU with over 300 different campus organizations and clubs, a strong Greek system, 30 different intramural sports, 7 men's and 9 women's intercollegiate sports teams.
