About

Fisher College offers a curriculum that integrates a Liberal Arts education with career and pre-professional programs designed to meet the changing needs of students today. In addition, Fisher's Center for International Programs and Services (CIPS) is dedicated to guiding international students toward academic success.

The diverse student body includes students from over 30 different countries. Students enjoy the advantages of attending a small college and receive individualized attention in a supportive community with the additional benefits of living in the center of the historic and diverse city of Boston, Massachusetts.

Popular Majors

Business Administration, Communication and Media Studies, Fashion Design/Merchandising, Hospitality and Tourism, Human Services, Liberal Arts, Management (with several concentrations)

Location

Located in the safe and historic Back Bay of Boston, Fisher College is uniquely situated in one of the finest cities in the United States. Boston is widely known as the center of United States higher education with more than thirty colleges and 250,000 students in the city.

Boston is alive with cultural, educational and recreational activities such as theatrical performances, concerts, famous historical sites, sports teams, shopping, and world-class dining. All these activities are easily accessible by walking, biking or public transportation giving students numerous opportunities to enjoy all that Boston has to offer!
