About

Highline Community College is a two-year college that offers degrees for transfer to university and professional/technical career training.

Students can choose from more than 100 university majors and 42 professional/technical programs. Highline is well known for its Business, Nursing, Education and Hospitality and Tourism Management programs. Highline has an intensive Honors Scholar Program that prepares students for transfer to top universities around the U.S., including the University of Washington, UCLA, Boston University, Johns Hopkins University, Columbia University and many others.

Students at Highline enjoy an active campus life with many clubs and activities throughout the year. The International Leadership Student Council plans events almost every week for students to make friends, have fun and explore the region's attractions.

Popular Majors

Architecture, Business, Communications, Computer Science, Economics, Education, Engineering, Graphic Design, Hospitality and Tourism Management, Medicine, Nursing, Pharmacy

Location

Highline Community College is located in Des Moines, Washington, 10 minutes from the Seattle airport. In just 20 minutes you can visit downtown Seattle and ride to the top of the Space Needle or watch the Mariners win a baseball game at Safeco Field. Seattle is known for its vibrant music scene, professional sports, and industry leaders such as Microsoft, Boeing and Starbucks. Highline is an ideal choice for students who want to combine opportunities for cultural and recreational activities with a world-class education.

Highline international students have many options for housing near the college. Students can live with a host family, stay in the dormitory near campus or find an apartment on their own or with friends.
