About

Tennessee Tech University, located in the Upper Cumberland Plateau in Middle Tennessee has been named one of America's 100 Best College Buys earning the designation for the last four years. It has also been ranked as a "Best Southeastern College" (five times) by the *Princeton Review*. These rankings are reflective of the commitment that the university has toward the lifelong success of its students.

The campus is located on 235 acres of land and houses 87 buildings. The small class sizes assure that students receive the individual attention essential for educational growth. The University also sponsors over 190 student organizations on campus which further strengthens the relationships between the faculty and students.

Tennessee Tech University offers a welcoming campus, an affordable education and a challenging and rewarding environment for international students.
